

WHEELCHAIR ACCESS

The MPAC is completely accessible to patrons who use wheelchairs. The restrooms and water fountains are also wheelchair accessible. The MPAC also contains one “unisex” restroom to accommodate persons who may need assistance from a spouse or companion of the opposite sex. Ask an usher for the location.

Entry and exit are available from the ramp in the main parking lot located at the corner of S. Magnolia Street and Cabarrus Ave. Ample handicap parking spots are also located in the main parking lot.

ASSISTED LISTENING DEVICES

The MPAC is equipped with an FM Assisted Listening System. Headsets or neck-loops can be checked out from the sound desk in the auditorium.

SERVICE ANIMALS

If you or someone in your party plans to attend an event with a service animal, please inform the Box Office when purchasing your tickets or an usher on site so that we may arrange for an aisle seat.
